RE: ATTORNEY GENERAL
EXTORTION MATTER

Re attached Extortion matter involving Attorney General Saxbe. In response to a call from the Director concerning this matter I telephonically contacted SAC Arnold Larson in the Los Angeles Office advising him of the Director's interest in this matter and pointing out that the Attorney General, due to recent publicity concerning his statements involving the truckers strike was up tight. Also, it was pointed out to Larson that the Attorney General would be in Los Angeles February 20th. The Los Angeles Office was instructed to go all out on this case and keep the Bureau advised, submitting a teletype today as to what investigation they have conducted. m 4

ADDENDUM

2-7-74:

The notification to the Attorney General was transmitted by teletype from our teletype hook-up in the Intelligence Division space at 9th and D at 11:53 a.m. this morning. A copy of the teletype had been delivered to the Teletype Unit in this building for such transmittal at 9:00 a.m. The Teletype Room in the Justice Building does not have a tie-in to the teletype system in the Attorney General's office which accounts for the delay in the transmittal. This is an undue and unnecessary delay and we're looking into perfecting arrangements whereby more prompt transmittal can be accomplished. In this case we could have walked a copy of the message to the Attorney General's office in 2 minutes rather than taking 3 hours for the material to get to his attention.

Specimens Q35 and Q38 contain "EATON CORRASABLE ONION-SKIN USA BERKSHIRE COTTON FIBER CONTENT" watermarks, manufactured by the Eaton Paper Company, Division of Textron, Incorporated, 755 Church Street, Pittsfield, Massachusetts.

It was concluded that the handwriting on specimens Q32, Q35, Q38, Q41 and Q43 was written by the writer of certain items submitted previously in this case.

Similarities were noted in the hand printing on Q31, Q34, Q37, Q40 and Q42 which indicate that these items may have been prepared by the same writer who prepared the hand printing on numerous items submitted previously in this case of which specimens Q1, Q4, Q9, Q24 are representative.

It was further concluded that specimens Q33, Q36, Q39 and Q44 were prepared from the same master. The typewriting on specimens Q33, Q36, Q39 and Q44 is similar with the typewriting on certain items submitted previously in this case.

The James Jackson signatures on certain typewritten letters submitted in this case are not sufficiently comparable with the questioned writings on the remaining items to permit a definite conclusion to be reached whether these writings were or were not prepared by the same writer.

The submitted evidence has been photographed. Specimens Q40 and Q41 are returned herewith. Specimens Q31 through Q39 and Q42 through Q44 will be returned separately.

connection with the letter writing activities of JAMES OLIVER JACKSON, he has filed a complaint charging JACKSON with 10 counts of violation of Section 248 of the California Penal Code (Libel) and one count of violating Section 484 of the California Penal Code (Petty Theft). He stated that he hopes to use these charges as a vehicle for committing JACKSON for psychiatric treatment.

On 3/13/74, Sergeant [REDACTED] Criminal Conspiracy Section, Los Angeles Police Department, Los Angeles, California, advised that JAMES OLIVER JACKSON has written countless letters in recent weeks to people all over the United States and they are identical to those addressed to WILLIAM SAXBE and [REDACTED]. In connection with JACKSON's letter writing activities, he arrested JACKSON on the basis of the complaint filed by the City Attorney's Office. He stated that he arrested JACKSON on 3/11/74 and because JACKSON is obviously mentally ill, JACKSON is currently confined at the University of Southern California Medical Center under Section 4011.6 of the California Penal Code (Removal of Mentally Ill Prisoner From City or County Jail for Treatment and Evaluation).

On 3/13/74, the facts of this case were discussed with Assistant United States Attorney [REDACTED], Los Angeles, California. At this time Mr. [REDACTED] advised that he would decline prosecution of JAMES OLIVER JACKSON. He stated that his decision was based on the action being taken by the City Attorney's Office, and the fact that JACKSON is mentally ill.

In view of the above, no further action is being taken by the Los Angeles Office, and a letterhead memorandum is being prepared and will be submitted to the Bureau at a later date.
